● Introduction of Graduates

Tamezo Narita

A graduate of the Akita Prefecture Normal School (predecessor to the Faculty of Education and Human Studies). He left more than 300 outstanding songs to the world such as “Song of the Beach” and the “Akita Prefectural Song”. Research has shown that he began seriously studying composition while attending the Akita Prefecture Normal School.

Keishi Nagi

A member of the second graduating class of the Akita University Faculty of Medicine. He continues to work as a doctor at the Saku General Hospital in Nagano prefecture, as well as authoring books. His works include “Medical Student”, whose stage is set at the newly established Akita University Faculty of Medicine, and portrays the worries and conflicts of its main characters, 4 young medical students, and “Diamond Dust”, which was the winner of the 100th Akutagawa award.

● Akita University 3D Project

A program created by students in the “Student-centered Project” at the affiliated “Innovation Center for Engineering Design and Manufacturing”. By using the controller, you can enjoy free, virtual stroll around the campus.
