Sound Check

This is a sound check. Do not open your test booklet. If you had any trouble hearing this recording, please raise your hand now.

You will hear someone talking. It will be played twice. You should listen carefully, and take notes in your question book. After it has finished, you should turn to the answer sheet, and you will be asked to write answers to the questions in Japanese and English. Read them carefully and answer them as instructed.

問題

二つの教授法 (grammar-based teaching と communicative teaching) についての録音を聴いて、下記の設問に答えなさい。

問 1 . Below are 5 of the key characteristics of the two ways of teaching. Listen to the recording and choose which way of teaching the characteristic applies to. Circle one of the following on your answer sheet:

Circle "G" for a characteristic of grammar-based teaching.

Circle "C" for a characteristic of communicative teaching.

1. Classes are often taught in students' native language.
2. Mistakes are often ignored.
3. Students need to speak or write correctly from the beginning.
4. Students often work in pairs or groups.
5. There is a strong focus on meaning.

問 2 . 二つの教授法のそれぞれの問題点について、録音に基づき、各 40 字以上 60 字以内の日本語で説明しなさい。

問 3 . Based on your understanding of the passage, how do you like to be taught? Write your answer in English in about 150 words. Be sure to include your opinion and experiences.
