Entrance Examinations for Privately-funded International Students through the Pre-Arrival Admission System (Faculty of Engineering Science)

Pre-Arrival Admission System is a system for entrance admission based on the overall evaluation of the Examination for Japanese University Admission for International Students(EJU) conducted by the Japan Student Services Organization (JASSO) (Applicants are required to take the test outside Japan) and other relevant academic performances including high school transcript and TOEFL score. This system enables applicants to obtain the entrance admission for Akita University without taking any examinations in Japan. For further details please see Application guideline for Privately-funded International Students through the Pre-Arrival Admission System.

[How to submit an application] Please download the application form from the Akita University website (<https://www.akita-u.ac.jp/>). Complete the form and send it to Admissions office, Akita University
